www.myclassdesigns.com.au

How to raise funds the fun, easy way using a successful formula and our great products. With our many years of experience, we can help you achieve your fund-raising goal in 5 easy steps:

1. Fun for the kid

Get your students to draw self portraits and their name with thick marker pens on a quarter of a sheet of A4 paper each. (example)

2. Promote your school/class

Give your class name and supply a school logo print that will be included on the tea towel with the drawings. Remember to include a drawing of yourself as the class teacher/supervisor.

3. Post off your order

Send all the drawings to our PO Box along with a completed order form in our info pack you can download from our website: www.myclassdesigns.com.au on the prices page, which also includes a more in-depth description of requirements.

My Class Tea Towels

4. The artwork begins...

Once received, we will design the layout of each tea towel and email proofs to you for confirmation. This is where you can promote the idea to all prospective purchasers and get an idea of numbers required. Don't forget to add your mark-up to the base cost in order for you to reach your fund-raising goal. Once you/students/parents are satisfied with the design, we move onto production printing.

5. The end result.

Once completed, we pack each towel individually and ship to you anywhere in Australia. Each group tea towel is unique and a great keepsake that will last for years. If you need more re-printed we can do so at any time in case you underestimate demand. A great way to raise money for any school/organisation, and we can help make it easy for you...
